WHMIS REGULATED: Class D, Division 2, Subdivision A

FRESH SCENT FRAGRANCE: Number 1544-80

WHMIS REGULATED: Class D, Division 2, Subdivision B

SECTION III-PHYSICAL DATA

PHYSICAL STATE: solid

ODOUR AND APPEARANCE: Fragrant light pink powder

BOILING POINT: not applicable

MELTING POINT: not applicable

SOLUBILITY: insoluble

VAPOUR DENSITY AND PRESSURE: none

SECTION IV-FIRE OR EXPLOSION DATA

FLAMMABILITY: not flammable

EXTINGUISHING METHOD: use methods for the surrounding fire.

SECTION V-REACTIVITY DATA

PRODUCT IS STABLE UNDER NORMAL CONDITIONS.

*The calamine portion of the mixture can react violently when mixed with chlorinated rubber, magnesium, or linseed oil.

SECTION VI-TOXICOLOGICAL PROPERTIES

*The product ingredients are not considered carcinogenic with the exception of quartz which is present in small amounts in the talc.

SECTION VII-PREVENTATIVE MEASURES

RESPIRATORY PROTECTION: if large amounts are spilled, use a NIOSH approved respirator, and safety glasses while cleaning up the spill. You may also wish to wear gloves and protective clothing to avoid over exposure to skin.

NO PREVENTATIVE MEASURES ARE NEEDED FOR NORMAL USE.

SECTION VIII-FIRST AID MEASURES

SKIN: if irritation occurs, wash affected area with soap and water.

EYES: wash thoroughly with running cold water for 15 minutes. Seek medical advice if irritation persists.

INHALATION: for normal cosmetic use, no effects are expected.

Exposure to a large concentration of dust may cause mechanical irritation of the mucus membranes and respiratory tract.

INGESTION: may cause nausea or vomiting. Do not induce vomiting. Rinse mouth with water, then drink a glass of water. If vomiting occurs naturally, have the victim lean forward to reduce the risk of aspiration.

SECTION IX- DISPOSAL CONSIDERATIONS

There are no special guidelines for disposal. Follow regular federal, provincial and local government requirements prior to disposal.

SECTION X-SHIPPING REQUIREMENTS

There are no special qualifications for shipping. It does not follow under the TDG act.
